ANNUAL
REPORT
2021

Together, we are the change.

Educate | Empower | Connect

A letter from _____ our director

The year 2021 has been one of learning experiences and growth. We have accomplished big goals with great partnerships and alliances. As always, we have confirmed that the best way to grow is through joining forces.

Our foundation has been fortunate to be awarded a grant from GlobalGiving, a nonprofit that connects donors from around the world to vetted and verified grassroots projects, like those developed by Hearts of Gold.

This grant has been a life line for our organization and our program development. We've accomplished dreams for children and teenagers, as well as worked closely with numerous families that needed our support through education and mentoring.

Our Community Assistance Program continues to train our non-profit partners in leadership, marketing, fundraising and program impact to help create an Ecuador where every individual enjoys a life of dignity, hope and empowerment.

I want to thank all our supporters and hard-working staff for believing in our Vision.

Your trust, as always, makes the difference.

By standing behind our goals and objectives, we support our partners to serve as the inspiration, voice and hope for thousands of individuals.

I am proud to be part of this great family of Hearts of Gold
